

Talk Breakout Sheets – October 2026 General Conference

The Christ Centered Home Project • Printable sheets for Little Learners, Growing Disciples, and Youth

Please note: These are simplified retellings of General Conference talks, written for families. They are not the official talks and not official Church text. Each one credits the speaker and their calling. Please read, watch, or listen to the full official talk at churchofjesuschrist.org (General Conference, October 2026) or in the Gospel Library app. Quotes have been checked against the official talk texts in Gospel Library (General Conference, October 2026) and use the speaker's own words as complete sentences. Words in [brackets] appear exactly as they do in the official text. If anything differs, the official text is the authority. Stories and details come only from what the speaker said; nothing has been added.

How to use these sheets

First read (or listen to) one whole talk from the Full Talks documents (Saturday Morning, Saturday Afternoon, Sunday Morning, Sunday Afternoon). Then print the sheet for your age and fill it in yourself. There are no answers printed here. You are the one who finds the main idea, the three points, the scriptures, and how to use the talk to come unto Christ and help others.

Little Learners (4–7): 1 page. A grown-up can read the questions and write words for you. Drawing counts as an answer!

Growing Disciples (8–11): 2 pages. Write in your own words. It's okay to look back at the talk.

Youth (12–18): 2 pages. Look for how the speaker made each point (a story, a scripture, a quote) and look up the scriptures yourself in Gospel Library.

Print as many copies as you need: one sheet per talk. The talk list on the next page helps kids copy the title and speaker.
